

Northeast Tennessee Reach

Brand Guidelines • Version 0.2

BRAND IDENTITY GUIDE — WORKING DRAFT

Northeast Tennessee Reach is rooted in Appalachia and the Northeast Tennessee region. Our purple honors the recovery movement; our teals reflect the region's rivers and ridgelines. The rising-phoenix quilt square symbolizes renewal, resilience, and community — craft traditions of this region, remade as a promise of new beginnings.

These guidelines govern the REACH Recovery Ecosystem identity across print, digital, and the REACH AI Navigator. Version 0.2 corrects color reproduction values, adds accessibility and co-branding standards, and supersedes the v0.1 draft.

BRAND FOUNDATIONS

- ◆ Appalachian identity
- ◆ Recovery and renewal
- ◆ Community connection

WHAT'S NEW IN V0.2

Exact color builds (HEX / RGB / CMYK) • WCAG contrast rules • Digital & Navigator UI standards • Partner co-branding & funding attribution • Corrected wordmark spelling in specimen art

Logo System & Color Palette

Core identity elements and reproduction values

1. PRIMARY WORDMARK

3. RECOMMENDED USES

5. CLEAR SPACE & MINIMUM SIZE

Keep clear space equal to the height of the quilt symbol on all sides of either mark. **Minimum sizes:** wordmark 1.5 in print / 160 px digital; symbol mark 0.5 in print / 36 px digital (16 px favicon uses the simplified diamond only).

2. SYMBOL MARK

4. COLOR PALETTE

	NAME	HEX / RGB	CMYK*
	Phoenix Purple	#24114D 36 · 17 · 77	95 · 100 · 25 · 25
	Mountain Teal	#177A8C 23 · 122 · 140	85 · 35 · 35 · 10
	Reach Teal	#14B7C1 20 · 183 · 193	75 · 0 · 25 · 0
	Mist Gray	#F2F2F2 242 · 242 · 242	0 · 0 · 0 · 5

*CMYK builds are starting points for coated stock. Confirm against a press proof or Pantone bridge with your print vendor before large runs. HEX values are authoritative for all digital use.

Typography, Voice & Imagery

How we look and how we sound

1. TYPOGRAPHY

HEADLINES

League Spartan Bold

STRONGER TOGETHER.

SUBHEADS

Merriweather SemiBold

Building a stronger, healthier region.

BODY COPY

Source Sans 3 Regular

Northeast Tennessee Reach supports recovery and renewal through community partnerships, resources, and programs that create lasting impact.

ACCENT SCRIPT

Satisfy — use sparingly

Hope. Strength. Community.

All four typefaces are open-licensed (SIL OFL / Apache) via Google Fonts — free for print, web embedding, and partner use with no licensing fees.

3. MESSAGING THEMES

◆ Recovery ◆ Renewal ◆ Connection ◆ Regional Pride ◆ Practical Support

2. VOICE

Welcoming

We open doors and create safe spaces.

Hopeful

We inspire optimism and believe in what's possible.

Grounded

We are rooted in our region and our values.

Direct

We communicate clearly and take action with purpose.

Community-Centered

We uplift people and build stronger together.

4. PHOTOGRAPHY & IMAGERY

Use authentic Appalachian settings. Show real people and community. Favor natural light and warmth. Avoid corporate or sterile stock imagery.

Photography of program participants requires written consent; never pair identifiable individuals with treatment-specific claims.

5. LANGUAGE OF RECOVERY

Use person-first, non-stigmatizing language: "person in recovery," "substance use disorder." Avoid "addict," "abuser," "clean/dirty." This applies to all materials, including Navigator responses.

Logo Usage

Approved uses and common misuses

APPROVED USES

- ✓ Full-color logo on light backgrounds

- ✓ Reversed logo on brand dark backgrounds

- ✓ Symbol mark as a secondary supporting element

DO NOT USE

- ✗ Do not stretch or distort.

- ✗ Do not rotate or skew.

- ✗ Do not recolor outside the palette.

- ✗ Do not add shadows, gradients, or effects.

- ✗ Do not separate or rearrange logo parts.

- ✗ Do not place on busy backgrounds that reduce legibility.

CORE PRINCIPLE The Northeast Tennessee Reach identity should always feel clear, hopeful, regional, and respectful of recovery-centered communication.

Color Accessibility Standards

WCAG 2.1 AA compliance rules for all public-facing materials

NEW IN V0.2

MEASURED CONTRAST RATIOS

COMBINATION	RATIO	NORMAL TEXT	LARGE TEXT / UI
Phoenix Purple on white / Mist Gray	16.6 : 1	Pass AAA	Pass AAA
White on Phoenix Purple	16.6 : 1	Pass AAA	Pass AAA
Mountain Teal on white	5.0 : 1	Pass AA	Pass AA
White on Mountain Teal	5.0 : 1	Pass AA	Pass AA
Reach Teal on Phoenix Purple	6.8 : 1	Pass AA	Pass AA
Reach Teal on white / Mist Gray	2.45 : 1	Fail	Fail
Mountain Teal on Phoenix Purple	3.3 : 1	Fail	Large text only

WCAG 2.1 AA requires 4.5:1 for normal text and 3:1 for large text (≥18pt / 14pt bold) and UI components. As a state-funded, university-affiliated public resource, all REACH materials should meet AA at minimum; Section 508 applies to digital deliverables.

USAGE RULES

1. Reach Teal is decorative only on light backgrounds — icons, dividers, quilt-symbol accents, or fills behind dark text. Never use it for text or interactive elements on white or Mist Gray.
2. Text on light backgrounds is Phoenix Purple, Mountain Teal, or dark neutral (#2B2B33). Links and buttons use Mountain Teal or Phoenix Purple.
3. On Phoenix Purple backgrounds, use white or Reach Teal for text — this is where Reach Teal shines (6.8:1).
4. Never rely on color alone to convey meaning. Pair status colors with icons or labels, and maintain visible focus indicators on all interactive elements.

QUICK REFERENCE

✗ Never on light

Digital Applications

Web, REACH AI Navigator, and interface standards NEW IN V0.2

UI COLOR TOKENS

TOKEN	VALUE	USE
--brand-primary	#24114D	Headers, primary buttons, nav
--brand-action	#177A8C	Links, secondary buttons, focus ring
--brand-accent	#14B7C1	Decorative accents; text on purple only
--surface	#F2F2F2 / #FFF	Page and card backgrounds
--text-body	#2B2B33	Body copy
--crisis-banner	#8C1D2F	Crisis / emergency banners only

CRISIS BANNER EXCEPTION The Navigator's crisis and emergency banners deliberately break the calm purple/teal system using a deep crisis red (#8C1D2F, 8.7:1 with white text). This is the only approved off-palette color. Do not use red anywhere else, and do not soften crisis banners into brand teal.

NAVIGATOR VOICE ALIGNMENT

The AI Navigator inherits the brand voice: welcoming, hopeful, grounded, direct, community-centered. Public mode leans warm and plain-spoken; Practitioner mode leans direct and precise. Both use person-first recovery language (see page 3).

BUTTONS & INTERACTIVE STATES

[Find Resources](#)[Get Help](#)[Learn More](#)

Focus states: 2px Mountain Teal ring with 2px offset. Hover: darken 10%. Minimum touch target 44×44px. Body text minimum 16px on web.

AVATAR, FAVICON & SOCIAL

ASSET	MARK	SPEC
Favicon	Symbol (simplified ≤16px)	16 / 32 / 48px PNG + SVG
App / chatbot avatar	Symbol mark	180×180px min, on white or purple
Social profile	Symbol mark	Never the full wordmark
Social banner	Wordmark	Reversed on purple or on white
Email header	Wordmark	≤200px wide, linked, alt text set

Alt text standard: "Northeast Tennessee Reach logo." All Navigator UI must remain operable at 200% zoom and with keyboard-only navigation.

Co-Branding, Attribution & Assets

Partner lockups, funding acknowledgment, and the asset library

NEW IN V0.2

PARTNER CO-BRANDING

When the REACH mark appears with East Tennessee State University, the Tennessee Opioid Abatement Council, or coalition partners: separate logos with a 1pt vertical rule and clear space equal to the quilt-symbol height on each side; match logos by optical height, not pixel height; REACH leads on REACH-owned materials and follows the host's placement rules on partner materials. Never merge, overlap, or recolor partner marks.

FUNDING ACKNOWLEDGMENT

"This project is funded under an agreement with East Tennessee State University, supported by the Tennessee Opioid Abatement Council."

Placeholder — confirm exact required language against the ETSU subaward terms and TOAC communication requirements before publication. Include on public-facing print, the website footer, and the Navigator's about panel.

CONTACT

Brand questions & asset requests: REACH program office. Approval is required before any new logo variation, merchandise, or paid media use.

MASTER ASSET LIBRARY

ASSET	FORMATS	USE
Wordmark, full color	SVG · EPS · PDF · PNG	Primary, light backgrounds
Wordmark, reversed	SVG · EPS · PDF · PNG	Purple / Mountain Teal backgrounds
Symbol mark, full color	SVG · EPS · PDF · PNG	Accents, avatar, favicon
Symbol mark, reversed	SVG · EPS · PDF · PNG	Dark backgrounds

Vector (SVG/EPS/PDF) is the source of truth. PNGs export at 1×/2×/4× with transparent backgrounds. **Never place JPEG logo files** — they carry white boxes and color drift.
